

## BUS STOP INSTRUCTIONS

Arrive at the bus stop location (different each week, see the camper application for location sites) at 3:00 PM.

Every child attending camp needs to check in, make sure the paperwork is complete, talk to the health officer, get their cabin assignment and get their hair checked for signs of lice.

**PARENTS MUST STAY WITH THE CHILDREN DURING THIS PROCESS!**

You may help speed the process along by having your paperwork completed and submitted to the camp office ahead of time. At least have all the forms complete and ready to be turned in at the bus stop.

The necessary forms include:

- Camper Application
- Camper Health Form
- Parent Agreement

Please be patient with us. We **MUST** have the correct paperwork **BEFORE** we can take your child for a week.

***NOTE: This process may take up to 90 minutes!***
